

Taiwan is an ideal place for international students who want to learn Mandarin Chinese. There are 60 Mandarin Chinese Language Centers affiliated with a university in Taiwan which offer a wide range of Chinese courses year-round to suit all ages, interests and study aims. Outside of class, you'll have innumerable opportunities to practice reading Chinese characters and speaking Mandarin with the friendly people of Taiwan. The traditional character forms are still used in Taiwan; it's essential for future translators and researchers to learn these, and they help you to more fully appreciate the Chinese language and Chinese culture across the centuries. Whether you're learning Chinese for further study, work, travel or pleasure, you're sure to find a course that's right for you.
